of
University of Wolverhampton Students' Union
Company Number: 07275807

Background

- (A) This is the governing document of University of Wolverhampton Students' Union (known as the "**Union**" in this document).
- (B) The Union is a charity (as defined in the Charities Act 2011) and also a students' union (as defined in the Education Act 1994).
- (C) These Articles have been structured to put the Student Members at the democratic heart of decision-making and the setting of Policy; while affording a reasonable margin of discretion to the Trustees to discharge their duties under charity law – to ensure that the SU is run prudently and effectively.
- (D) The Union will seek at all times to ensure that the diversity of its Student Membership is recognised, and that equal access to the Union is available to all Students of whatever origin or orientation. It will pursue its aims and objectives independently of any political party or religious group; and will pursue equal opportunities by taking positive action within the law to facilitate participation of groups discriminated against by society.
- (E) These Articles have been structured to give the Board of Trustees reasonable authority to manage the affairs of the Union in a professional manner. The Student Members enjoy the right, which must be exercised in accordance with charity law, to be included in electing (and, where appropriate, dismissing) Trustees. The Board of Trustees will give the utmost consideration to the views of Student Members.
- (F) Under the Education Act 1994, the governing body of the University of Wolverhampton has a statutory duty to ensure that the Union operates in a fair and democratic manner and is held to proper account for its finances. The Union therefore works alongside the University of Wolverhampton in ensuring that the affairs of the Union are properly conducted and that the educational and welfare needs of the Students are met.
